## [1782] Karia Village Plot

**Price: 215.000€**

A large piece of land set in the heart of a traditional village evokes a nostalgia for times past and simpler living

If you're looking for traditional architecture, narrow alleys adorned with old houses, and a town square where you can enjoy a coffee at the local "kafeneion" under the shade of age-old plane trees, this is the place to be.

Set in quiet surroundings inside the village, the land measures over 11.000m<sup>2</sup> and could be subdivided into smaller lots to maximize the buildability, something worth...

A large piece of land set in the heart of a traditional village evokes a nostalgia for times past and simpler living

If you're looking for traditional architecture, narrow alleys adorned with old houses, and a town square where you can enjoy a coffee at the local "kafeneion" under the shade of age-old plane trees, this is the place to be.

Set in quiet surroundings inside the village, the land measures over 11.000m<sup>2</sup> and could be subdivided into smaller lots to maximize the buildability, something worth considering for the development of a retreat in this beautiful mountain region.
