[1912] **Poros Seaview Hilltop Land**

Price: 350.000€

A rare opportunity to acquire a 4,195 m² hillside plot with panoramic sea views and a building permit to construct a partially underground home with swimming pool

The design of the building fits gently into the landscape, concealing much of its volume. It resembles a long balcony hanging on the slope - anchored to the ground, but also slightly sticking out to take better advantage of the view and the sunlight.

It offers both indoor and outdoor living areas, with a variety of spaces that differ in character, views, an...

A rare opportunity to acquire a 4,195 m² hillside plot with panoramic sea views and a building permit to construct a partially underground home with swimming pool

The design of the building fits gently into the landscape, concealing much of its volume. It resembles a long balcony hanging on the slope - anchored to the ground, but also slightly sticking out to take better advantage of the view and the sunlight.
It offers both indoor and outdoor living areas, with a variety of spaces that differ in character, views, and levels of privacy.
