Two villas in a privileged position, in the area of Ammouso, overlooking Ithaki and the Ionian Sea

Their modern architecture and style, combined with wood elements and boho chic details, blend well with the surrounding natural landscape.

Large glass walls and semi-covered courtyards embrace the sunlight and fuse the interior and exterior spaces. The slightly elevated position of the grounds provides uninterrupted views of the sea, from the entrance to the living room, the bedrooms, the infinity pool, the sunbathing deck, and the outdoor lounge.

Each villa measures 111m² and consists of two living spaces connected by a 20m² semi-covered courtyard that opens onto the 54m² infinity pool. The courtyard blurs the lines between the main living areas and the outdoors, creating more space. The kitchen, the lounge, and the bedrooms are on either side of the court. The master suites open onto their own 4m² Jacuzzi overlooking the garden area and the Ionian.
