An exceptional plot in the coastal area of Ammouso, just second line to the water, with a building license for four private cave villas

Located in the coastal area of Ammouso, this exceptional plot benefits from a peaceful natural setting just 1.5 km from the renowned Ammouso Beach, while also offering access to a small secluded beach reached by a charming footpath that meanders through the trees. The property benefits from beautiful sea views, privacy, and a strong connection to the surrounding landscape and nature.

The land includes a building license for four distinctive cave houses, each thoughtfully designed with four ensuite bedrooms and private swimming pools. The architectural concept blends harmoniously with the natural terrain, emphasizing organic forms, open-plan living, and a seamless indoor–outdoor flow. Large openings maximize natural light and frame the coastal scenery, while generous outdoor spaces are designed to fully embrace the Mediterranean atmosphere and relaxed island lifestyle.
